

RTA Pre-Owned Instruments

Fall, 2008

Robert Tall & Associates, Inc. continues to enjoy record sales in 2008! Many Rodgers owners are trading in and trading up. We have a showroom and warehouse full of great values. A few are listed below. All sales include delivery, setup and a full used organ warranty. All instruments come complete with owner's manuals and owners are invited to attend our Division of Continuing Education classes. (Please see our website for class schedule.)

Model 115 Tab (SN 18144)

Rodgers 2-manual "Deseret" 115, excellent condition. AGO pedalboard, performance-style bench, complete specification, perfect for home practice organ or small chapel use. External audio required.

Model 115 Tab (SN 18211)

Rodgers 2-manual "Deseret" 115, excellent condition. AGO pedalboard, performance-style bench, complete specification, perfect for home practice organ or small chapel use. External audio required.

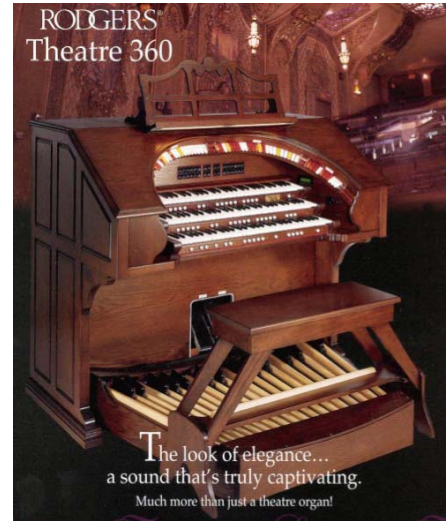

Model 220 Tab

Wooden keyboards, sub- and super-couplers, divided expression. Complete tonal families for the performance of all organ literature. Can accommodate up to 5 audio channels. Mint condition. A real value for chapel or home organ. Setter-board combination action.

Rodgers Theatre 360

Digitally recorded samples of a world renowned Wurlitzer Pipe Organ. The console is beautifully designed in traditional theatre organ styling. It is built of solid hardwood. Perfect for any living room, studio, church or auditorium. Rodgers exclusive technology – Parallel Digital Imaging™ - allows each note of every digital rank to be individually tuned, leveled and voiced on location. Like all Rodgers PDI™ organs, the Rodgers Theatre 360 is pipe-compatible.

This organ has been in the same home, still with the original buyer. It is in mint condition. Rodgers did not build many of these organs and they seldom come on the market. If you are interested, you should act NOW!

Model 645

Rodgers popular 2-manual ESSEX Series organ built to American Guild of Organists standards. 37 speaking stops, full coupler complement, locking wood roll-top, headphone jack for private practice, transposer, tuning control, dual memory, 10 general pistons. Harp, Carillon, MIDI preparation. Requires external audio system.

Model 750B

Rodgers SCARBOROUGH 750B, internal amplifiers, external audio, dual expression pedals, crescendo pedal, headphone jack, transposer, dual memory combination action, sub- and super-couplers, 14 felted toe studs, 8 generals, 4 divisionals each division, reversible: Tutti and Great to Pedal. This instrument is designed to play all the literature with utmost authenticity. Locking wood roll-top.

Rodgers 3-manual Windsor 840

Mint condition, one owner. Deluxe wooden keys and genuine rosewood sharps. LED stoptables, note-by-note tuning capability, all stops tonally voiceable to the room acoustics. Internal amplifiers, external speakers. Crescendo pedal with indicator lights. 19 felted toe studs. Priced to sell!

Roland Atelier AT-90SL American Classic

The Atelier AT-90SL American Classic is the top of the line of the remarkable home organ series built by Roland. This unit was carefully cared for until the owner traded it in. Best of the best, low price!

Speaker Setup

Our pre-owned instruments can be equipped with new Rodgers speakers and amplifiers for an additional cost. Pictured here is a 3-channel system, which is a powerhouse and requires a minimum of space.
